

Las Lomas Advanced Turning Program

Possible projects to consider

Project	Skill Level	Discussion
Dry bowl	1	Repeat from last year
Big bowl	1	Last year's work but larger
Platter	1	Like a shallow bowl but with controlled wall thickness
Baseball bat	1	To be turned from a specific plan
Candle stick	2	Transferring dimensions and doing beads & coves
Short stool	2	Three legs must match
Goblet	2	End grain hollowing = new skill
Segmented Vessel	2	Turning will be like two bowls, but prep must be done carefully
Natural edged bowl	2	Turned green with thin wall and natural edge
Long neck goblet	3	As above but with a thin stem from green wood
Hollow vessel	3	Blind turning – perhaps with stabilized tools becomes a level 2
Tall Stool	3	Four legs plus two sets of stretchers
